

24-27th September 2025

Welcome Letter from the Directors of Caleb Ministries and Kings Cross Ministries

Dear Friend and Supporter,

It is with special joy that we welcome you to our first Caleb Ministries & KCM ADVANCE. We don't take your sacrifice of time and supportive hearts for granted and thank you all for joining together with us.

The two ministries have been working in partnership with each other for some years – especially since discovering that we both have a heart to equip God's people for works of service, as Ephesians 4 exhorts us to do. Both ministries have developed training courses. As many of you will know, KCM's course is focused upon Biblical Theology training and Caleb's course specialises in the training of Kingdom leaders. As the two ministries come together as partners for this event, we are excited at what the Lord has in store for us all – especially when we consider the potential impact on the wider Church and the extension of God's kingdom if leaders feel called to pursue both courses.

The theme for the event is, **'Advancing Kingdom Partnerships; Developing Kingdom Movements'**. As such we can expect inspiring teaching that will help us understand what the Bible teaches about partnerships and how these dovetail with the high priestly prayer of Jesus in John 17, that we might become perfectly one as He and the Father are one. Further teaching will be given on how the Lord loves kingdom diversity and what this means for us Christians who, like Caleb in the Bible, are in process to develop a 'different spirit' in the way we live our lives and appreciate one another's distinctiveness. We would encourage you to make a note of any questions that you have as the conference progresses, so that we can address them after the teachings or in dedicated Q&A sessions.

In the afternoons of Thursday and Friday, we have a number of more informal seminars that you can choose from. Please register with the ones that you are interested in so that we can allocate you accordingly. On Saturday, we will be taking those who have pre-registered to Shamar Farm to experience the effects of regenerative farming and the abundant harvests these methods are already reaping for His glory.

We are delighted to welcome friends from a variety of countries in Africa as well as a group from the UK. As such, we do hope that you will take the opportunity to meet, share stories and make lasting friendships with several of them. There will be plenty of opportunities to do this in between meetings and over lunch – as well as time after the end of each day. If you would like prayer for anything, or would like to receive a prophetic word for guidance or to encourage and strengthen you, please make your requests known; it will be our pleasure to connect you to one of our seasoned male or female ministers who can bring such ministry to you.

We trust that you will enjoy our time together and be thoroughly blessed.

With Jesus love and for the cause of His Kingdom,

Martin and John
